

INFOCAST INVESTRADE integrates with NYFIX MARKETPLACE, enabling international market access for the Hong Kong financial community.

Infocast InvesTrade is a next-generation all-in-one trading solution for retail banks and retail brokerages combining a high-performance trading engine and an innovative business model to deliver a cost efficient solution. Infocast's Hong Kong and ASEAN brokerage clientele can now easily leverage NYFIX, one of the largest global trading communities, to gain unparalleled access to stock markets all around the world.

LEVERAGE THE NYFIX SERVICE DELIVERY PLATFORM

- Rely on a secure and robust FIX-based electronic trading community reporting zero service disruptions over the past 10 years
- Benefit from flexible configurable order routing capabilities choosing between Hub and Spoke and Point to Point connectivity services
- Access the exclusive Services Hub at the heart of the NYFIX Portal and take benefit from a wealth of value added applications such as NYFIX IOI, NYFIX Matching, TCA and Drop copy

CONNECT TO THE FINANCIAL COMMUNITY

- Direct connection to brokers and securities firms via InvesTrade's integrated FIX engine. Along with its built-in multi-market capability, InvesTrade enables a truly seamless global trading experience.
- Link up with well established local and regional brokerage firms. Expand your collaboration with Infocast to reach Hong Kong's retail brokers, Asia-Pacific regional players such as Guotai Junan and UOB Kay Hian, and international firms.

TRADE USING ADVANCED FEATURES

- Capitalize on the complexities of the Hong Kong stock market. InvesTrade supports over a dozen functions and order types, several of which are tailor made for the Hong Kong stock exchange.
- Trade on-the-go, anytime and anywhere. InvesTrade supports multi-platform trading, including desktop, web and mobile, and also delivers class-leading performance, resilience and security.
