

ULLINK AND LUZ PARTNER TO DELIVER SOLUTIONS TO BUY-SIDE INSTITUTIONS

The MITRA flagship investment management solution, used by banks, pension funds and asset manager firms in Brazil now comes pre-integrated with the UL Bridge, a key component of ULLINK’s suite of products and NYFIX, ULLINK’s low-latency, global connectivity market place.

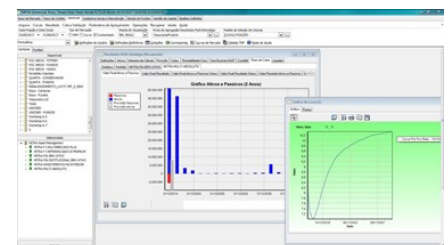

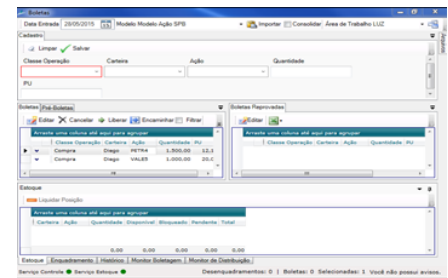

NYFIX MARKETPLACE

- **Connect to one of the industry’s broadest, global low-latency trading hub** connecting over 1,500 buy-side, sell-side and trading venues across a full range of asset classes
- Access **Brazilian** brokers through the **NYFIX Sao Paulo connectivity hub**
- Rely on a **secure and robust FIX-based electronic trading community** reporting zero service disruptions over the past 10 years
- **Benefit from flexible configurable order routing capabilities** choosing between Hub&Spoke and Point to Point connectivity services
- Access a range of services including NYFIX TCA, NYFIX IOI, NYFIX MATCHING, Live Monitoring & Drop Copy, and a **dedicated Buy-Side innovation-focused ecosystem** through the NYFIX Portal.

MITRA SOLUTION

- **Modular Front to back solution**
- **Onshore and Offshore Market Data**
- **Reduced operational risk** with automation processes and records of products and quotations.
- **Transparent information** and **consistent** on a single database.
- **Personalised reports** (management and commercial)

KEY FEATURES

- **1500+ Buy-sides & Sell-sides** at your fingertips
- **Secure (SSL-compliant) and Robust global low latency connectivity**
- **NYFIX Portal**, a single access point for proprietary and third party applications to deliver value-added services
- **The front to back integrated solution - MITRA**
- **Transparency and consistency of information**
- **Reduced operational Risk**
- **Ability to route electronic order flow over NYFIX network**

ABOUT LUZ SOLUÇÕES FINANCEIRAS

Founded in 1999, LUZ develops innovative solutions for risk management, specialized consulting and corporate governance. Our goal is to assist institutions and control their investments in an efficient and transparent way.

LUZ has three business units: MITRA (front to back solution), Pensions & Funds and Financial Consultancy. Also part of the group is POP BR, specialized on OTC pricing, and POP Trade, the trading credit community.

ABOUT ULLINK

ULLINK is a global provider of market leading multi-asset trading technology and infrastructure for buy-side and sell-side market participants, including NYFIX, one of the industry's largest FIX based trading communities. Trusted by over 150 of the world's top-tier banks and brokers, the company provides consistent, reliable access to the most current and innovative trading solutions available. Our multi-asset solutions allow you to connect to your desired markets, trade when and where you want, while being able to comply with global regulation. From our 10 offices covering all the major global financial centers, our team will advise on the best approach to address your challenges and deploy our technology.
